“ Mom. You were the strongest person I know . You raised 6 kids on your own since theresa was 5 . You also helped raise grandkids . You were always there for all of us and we really did appreciate everything you did for all of us even though sometimes we probably didn't show it . I know we gave you a lot of grief growing up but you kept us all together and loved all of us unconditionally. You were so strong and fought until the very end . Because of your strength you showed us how to be strong and pass it onto our children and grandchildren. That big heart you had for everyone got tired and we had to let you go. We are all going to miss you so much and we will love you forever. You had 6 children , 18grandchildren, 27 great - grandchildren. We love and miss you so much . Love, Pam, Laura, billy, jimmy, Kathy, theresa .
