

Brandon Scott Hinkle

July 6, 1997 - September 1, 2023

Brandon Scott Hinkle, 26 of Roselawn, IN passed unexpectedly on the evening of Friday September 1, 2023 at his home. Brandon was born on July 6th, 1997 in Crown Point, IN. He is survived by his mother, Erin; his father, Logan; his brother, Preston; and his sister, Sheridan.

It was hard to catch Brandon without his nose in a book reading about mythical creatures, history, psychology, or physics. When he wasn't reading he was an accomplished artist with a love of music, he loved to travel or spend time outdoors with family or friends (preferably both). His love of animals was strong from the time he was a baby, always with a puppy or kitten (despite being allergic to cats) or riding horses and feeding baby bulls at his grandma Pam's farm in Alabama.

Brandon attended North Newton High School in Morocco, IN and had plans to study psychology at Ivy Tech in Lafayette, IN. He was one of the first machine operators at Inteplast Group in Remington, IN and worked his way up to supervisor. Brandon was a kind and caring friend ready to lend a shoulder to cry on, an ear to listen, or even the shirt off his back.

He is preceded in death by his maternal grandparents and saviors, Joseph and Linda.

A private cremation by Integrity Funeral Home in Wheatfield IN was held and a private dinner will be hosted at the Lincoln Township Fire House, Thayer, IN on Thursday, September 14, 2023 from 4pm until 8pm for family and friends to celebrate and honor the life of a young man who's kind heart made him impossible not to love.

In lieu of flowers, please consider a donation to a mental health awareness or suicide prevention charity of your choice.

“ Crazy that this photo is 12 years old..you were a first love and amazing friend. You were there when I was at my lowest, and you never judged you're a bright light in my dark world, and now you'll forever be a guidance thank you for being in my life.

I lost my son at age 20 many years ago. I am still heartbroken. I feel deeply for the sadness your family faces today. Brandon sounds like a nice guy with a gentle spirit.

“ *It's strange to share a memory since I wrote this but... My favorite memory of Brandon is Thanksgiving of 2018. He was home with me and we made a huge meal. He spent the whole day taking silly pictures with his sister.*
