“ My heart goes out to Chad's mom Linda and all our childhood friends as well as those in Chad's life I wasn't acquainted with. Chad and I kept up over the years, but this was something of a shock. He had a huge heart, loved his dogs and never turned away a friend. What else can I say about Chad? Well, when my son was born in 2012, Chad came to visit my family. I asked him if he wanted to hold my son. He was terrified and told me he had never held a baby. I put my son in his arms and took a picture. It was very beautiful, as was Chad. Linda, if you are out there, I can try to find the file and send it to you. I can be reached at bmurray@mursix.com

Love and sympathy to all,
