“ Darrell was always a great friend to me and my late husband Phil. We would always share pictures and messages of our fur babies. He was one of a kind, may he have eternal peace.

“ Memories are all we have in the end and I was grateful to share so many with Darrell. From golfing with "2 putt" to fishing at the slough and all the 4th of July parties. He was a people's person and loved all the kids as his own. He loved playing fantasy football in my league and was so worried about getting someone to take his spot because he knew he wasn't gonna be here for the draft this year. " I'll never replace his team". Darrell "2 putt" was a great friend and has a special spot in my heart as well as others forever. Please say a prayer for Donna and the family. Rest in peace my friend.
