“ *Linda has always been a special person to me and I'm sure many others who have known and loved her. Never have I known such a loving person who truly cared about others and their feelings. Although we haven't crossed paths in so many years Linda has always been imy heart and I thank God for being honored to know her. My prayers go out to Bernard and her family and friends for healing and knowing that God has called another Angel home to watch over them until they are united again. God bless and keep you all.*

“ To Uncle Bernard and kids,
My condolences go out to you. Aunt Linda was a gem. When I was young and my family visited, she was always kind and welcoming. I enjoyed being around her. She was always interested in talking with me even though I was just a kid. Although we haven't kept up much over the years, my memories of her are strong and very fond. I will miss her. Bill Rozzi
