

## Peaches Fischer

March 1, 2010 - May 1, 2026

Peaches AKA Peachy Weechy, passed away in her sleep on May 1st 2026 during the Full Moon.

Of Cedar Lake and formerly of Jeffersonville, Evansville, and Munster, she will be remembered for always greeting you at the door and sprinting with the first sound of a can of wet food.

She was loyal, loving, and a constant, comforting presence. Peaches enjoyed sniffing the cat nip, searching around the deck, basking in the sun, and curling up for a movie on your lap.

For 16 beautiful years with her forever family, she brought endless warmth and companionship. She was never a bad girl—perhaps a little mischievous at times. Her fur found its way onto everything, and she had a habit of bumping your hand mid-sentence, leaving your writing illegible. But those little quirks only made her more endearing. She was, and always will be, the sweetest, most lovable ball of fur.

After a traumatic accident in March 2026, Peaches' health declined quickly, but she remained surrounded by love until the very end.

She was deeply loved, and she will be deeply missed. There are no words to fully express how much she meant—but the quiet hope remains that one day,

she'll come back for just one more gentle headbutt.
